Leaf Defender™ Gutter Guard's Product Warranty

Leaf Defender™ Gutter Guard warrants a 45 year warranty from the original date of purchase, when installed in accordance with our specifications, that Leaf Defender™ is free from defects in material and workmanship in the course of manufacture under conditions of natural wear and tear. This warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this warranty. This warranty covers only genuine Leaf Defender™ Gutter Guard's products with installation procedure SGG-R5.

Conditions

We reserve the right to discontinue or change any design or color of any of our products at any time without notice or liability. If for any reason the Leaf Defender™ Gutter Guard type originally installed is no longer available from us at the time you make your warranty claim, we may substitute another product determined by us to be of comparable quality and price.

There are no other warranties on Leaf Defender™ products other than set forth in this warranty. We are not liable to you for a breach of any other written or oral express warranties, such as any given to you by installers, dealers, contractors, applicators, or distributors of Leaf Defender™ Gutter Guards. Effective August 01, 2019.

Due to normal weathering, replacement product may differ in gloss or color from the product originally installed. We exclude and are not responsible for any consequential or incidental damages arising out of any breach of this express warranty or any other oral, written, or implied warranty that may apply to your purchase as it relates to our gutter guard. This is your exclusive warranty and is in lieu of all other warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purchase.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation on incidental or consequential damages and some states do not allow limitations on how long an implied

warranty lasts, thus the above limitation may not apply to you. The obligation under this warranty will in no event exceed the purchase price of the originally installed product found to be defective. In the event we choose to replace the gutter guard, we will only be responsible for providing material and not the cost of labor to install or shipping costs.

Leaf Defender™ Gutter Guard is designed to be self-cleaning, and in most cases, rain and wind alone are sufficient to keep it clean. However, there may be some instances where cleaning/maintenance will be required often for the homeowner. We recommend occasional homeowner cleaning and maintenance inspection of the gutter system.
